

Baseline white

Baseline är det lite enklare alternativet för dig som uppskattar smart funktion och snygg design, men vill hålla nere kostnaderna. En uppskattad och efterfrågad »prispressare« i melamin. Finns även i björk- och bokmelamin.

Baseline is the simpler alternative for those who appreciate smart functionality and striking design – but who wish to find a thrifty solution. On demand: a much appreciated "price fighter!" in melamine. Also available in birch and beech melamine.
